

Minnesota State University Moorhead

NURS 637P: Practicum Early Start

A. COURSE DESCRIPTION

Credits: 2

Lecture Hours/Week: 0

Lab Hours/Week: 0

OJT Hours/Week: *.*

Prerequisites:

This course requires the following prerequisite

MHA 605 - Healthcare Quality, Safety, and Regulatory Management

Corequisites: None

MnTC Goals: None

The practicum early start experience allows students an expanded time frame pursuing experiential hours in the clinical setting. Practicum setting hours will be aligned with the students emphasis area of Nurse Educator or Nursing Administration and Organizational systems Leadership. Major competences in evidence-based practice, communication, professionalism, team work, organizational/educational/practice trends, industry influences, and self-assessment are integrated in the course. The course focuses on the expanded role expectations for registered nurses prepared at the graduate level.

B. COURSE EFFECTIVE DATES: 01/01/2019 - Present

C. OUTLINE OF MAJOR CONTENT AREAS

D. LEARNING OUTCOMES (General)

1. Positively communicate with intra-team, inter-team, and community members.
2. Engage in collaboration and consultation with colleagues in nursing and other disciplines.
3. Function as a member and leader of inter-professional teams.
4. Apply evidence and research to the practicum setting to resolve problems and work as a change agent.
5. Use feedback from self, peer, instructor, and preceptor evaluations to improve role effectiveness.
