

Step 1 (Student) Use a computer to complete, sign and save this form. Check that every box is complete or has "n/a". Then, email the form to host campus registrar's office for review, approval, and signature. Use the email link in Contact Information.

Step 2 (HOST Campus Registrar's Office) The host campus reviews, attaches the curriculum and requirements for the minor, approves, and signs the form. The documents are forwarded to the home campus registrar.

Step 3 (HOME Campus Registrar's Office) The home campus notifies the student via email of approval and provides the host campus's curriculum and requirements. Notification is placed in the student's campus electronic file.

Step 4 (Student) Review and save the host campus' curriculum/requirements. Each semester use the **Course Exchange Registration Form** and course schedule links at <https://www.tri-college.org/> to register for class(es).
